

YELLOWSTONE VALLEY AUDUBON SOCIETY CONSERVATION GRANT 2011

The Yellowstone Valley Audubon Society annually awards Conservation Grants to eligible educational institutions, groups, or individuals with a sound project that meets the YVAS mission. Our mission is to promote enjoyment and protection of the natural environment through education, activism, and conservation of bird habitat. This year an award of up to \$1000.00 is available.

Applications will be accepted until February 1 for the 2011 grants. Any applications received after February 1 will be included in the grant pool to be considered the following year. The YVAS Board will review applications and successful Conservation Grant applicants will be announced at the April 2012 General Membership meeting.

Grant award winners will be expected to submit a written report of their project and its success within one year of the initial award date. They will also be asked to present their results at either a board meeting or at a general membership meeting.

For application form and more information, visit yvaudubon.org or contact Nancy Wiggins at nwiggins83@gmail.com
